Principal's Message

Students, as you go through the pages of this interesting book, I am sure you will find that its contents reveal in an attractive way the highlights of your high school days. It is an easy reference to refresh your memory of many pleasant activities in which you participated. After all, it is the sum total of these experiences along with your studies which make high school life worthwhile.

Staff, the experiences you have gained in preparing this annual will prove invaluable to you. Its organization, detailed planning, and coordination represent education that goes beyond the bounds of the fundamental concepts. You are to be commended on your earnest effort, fine workmanship, and completed product. The 1951 REMOULADE is an annual of which Destrehan High, along with you, can be proud.

Sincerely yours,

H. M. Hurst
